ABSTRACT

Workshops-Public Works Workshops and other Departments workshops-Combining under one management-Papers recorded.

Public Works Department

G.O.Ms.No.87 Dated 8th January 1949

Read the following:

Endt.No.619/F/48-2 dated 11.2.48 to Chief Engineer (General)
From the Chief Engineer (General) letter No.1083 Ad/1/48/10 dated 17.6 .48.

--

ORDER:

In order to reduce ~~expenditure~~ expenditure in several workshops under the control of different Departments, it was suggested that the feasibility of combining under one management all the workshops under the Public Works Department and other Departments like Industries should be examined. In his letter read above the Chief Engineer (General) has now offered his remarks on the above suggestion in consultation with the Director of Industries and Commerce and the Chief Engineer (Electricity). It is reported that in the interests of efficiency of work both the Director of Industries and Commerce and the Chief Engineer (~~Highways~~ Electricity) have urged that their Departmental workshops may be allowed to work separately. The Chief Engineer has also stated that the Public Works Department workshops may be left alone to concentrate on the requirements of the Public Works Department. After careful consideration, His Excellency the Governor of Madras hereby directs that the proposal to combine the several departmental workshops under one management should be deferred for the present.
